Helping Children See Jesus!

After paying by PayPal or Credit Card, you should receive an e-mail confirmation of your order within moments of placing your order.

Once you have received your e-mail confirmation, open the message and scroll down to the area labeled **Product Information**.

There will be an indented paragraph entitled **Download**, plus the name of the file to be downloaded (e.g. 1000-EPROD.zip)

A Dialog Box will open asking if you wish to open or save this file. We recommend that you click on the button **Save**.

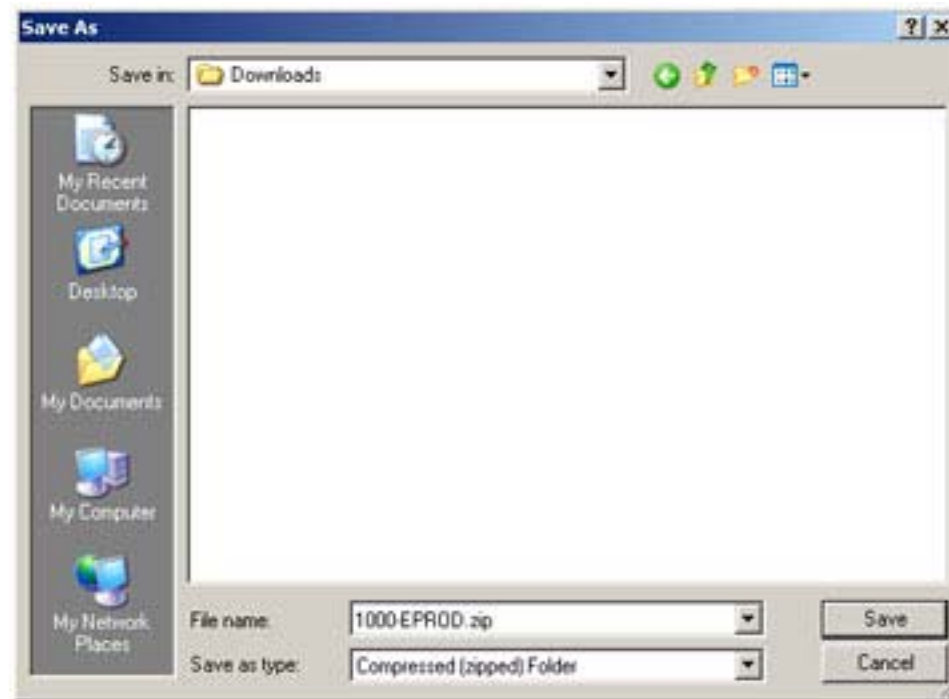

A Dialog Box will open, asking for the location to save your file. If you are familiar with your computer's structure, you may navigate to the folder that you wish to place the folder in. Otherwise, you may just save it to your desktop.

Once you have indicated the location to save the file, click on **Save** in the lower right of the screen.

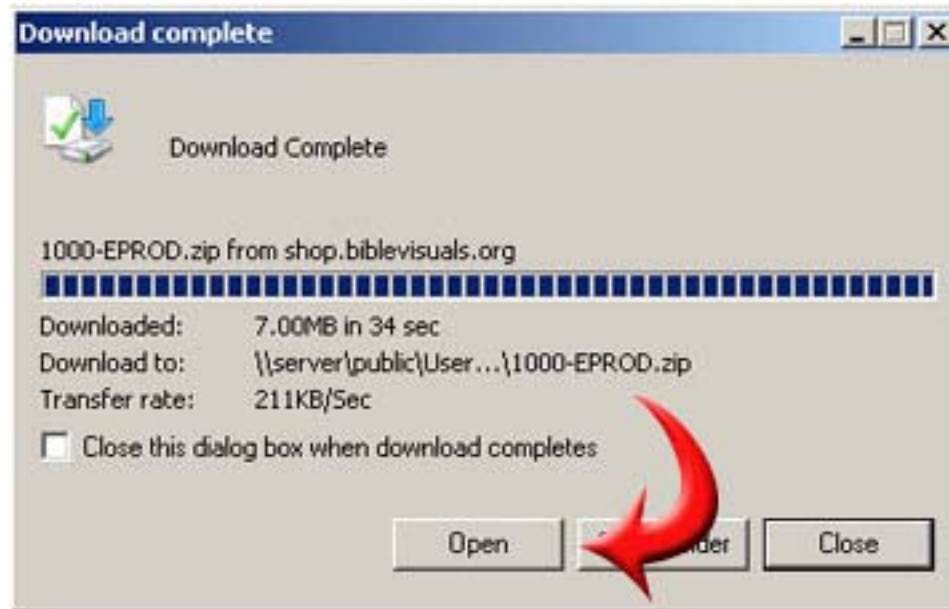

Download Instructions

Helping Children See Jesus!

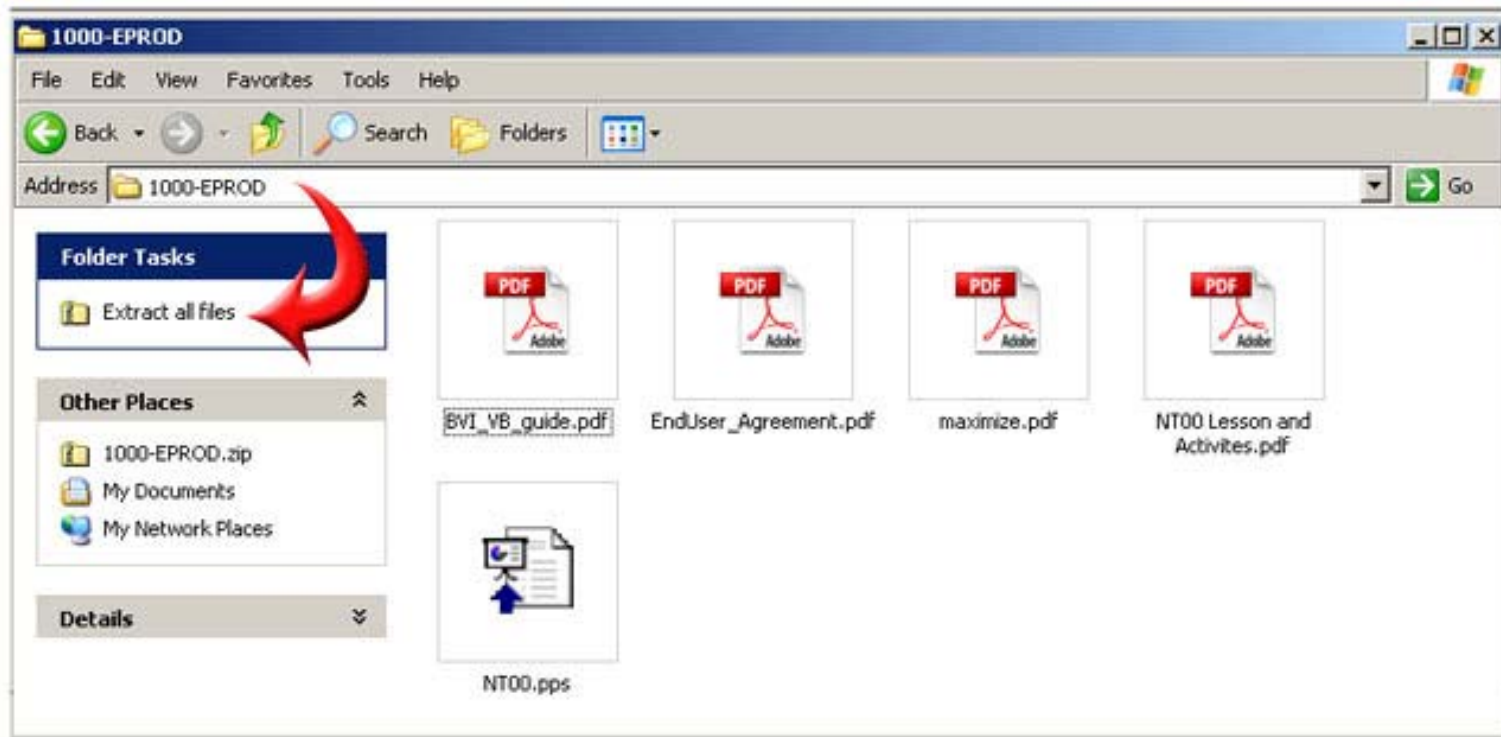

Once the download is complete, you may click on the button **Open** to view the downloaded file.

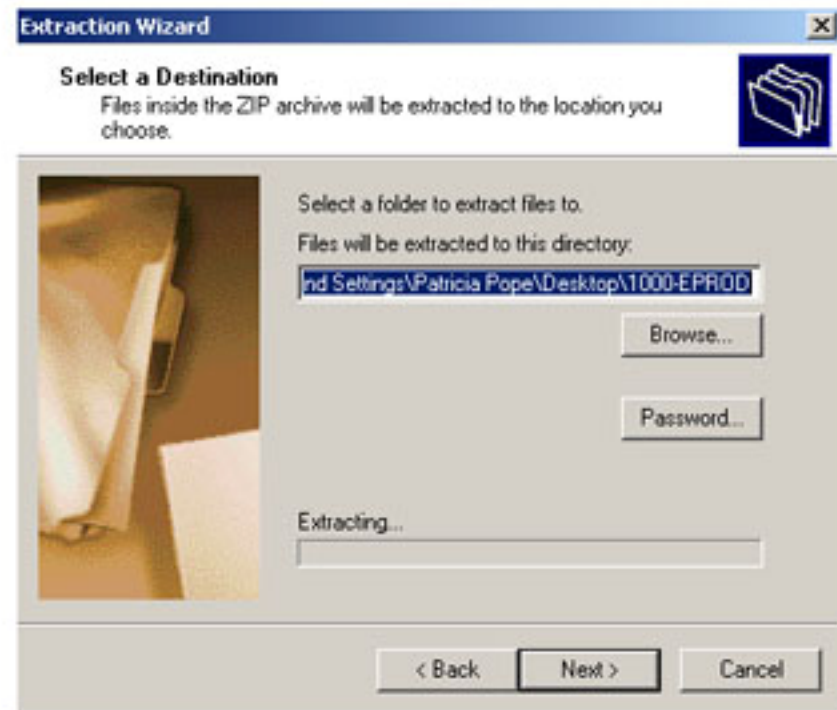

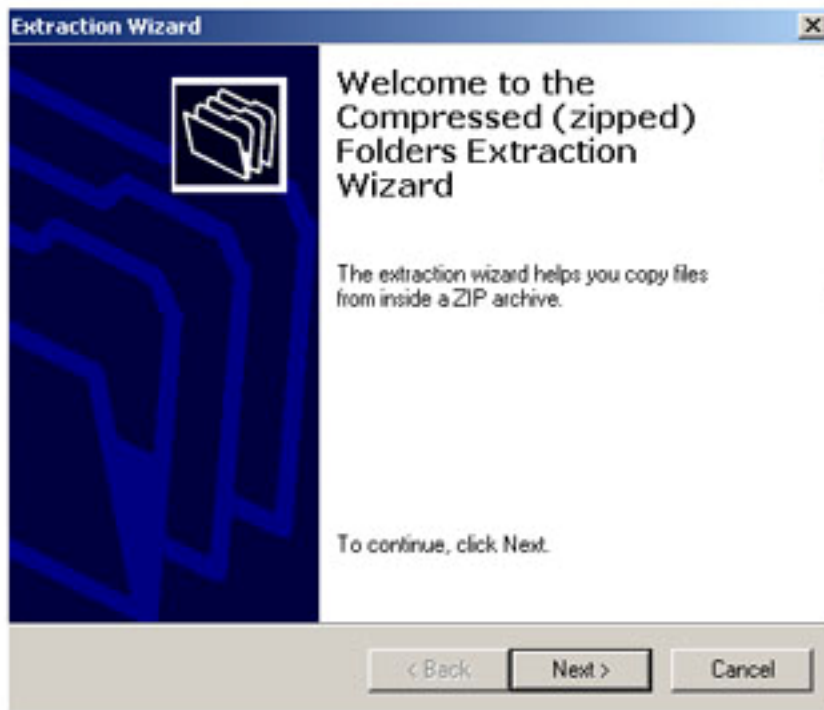

Depending on the setup of your computer, you may be able to see a command on the left of the open window labeled ***Extract All Files***. Double-click on it.

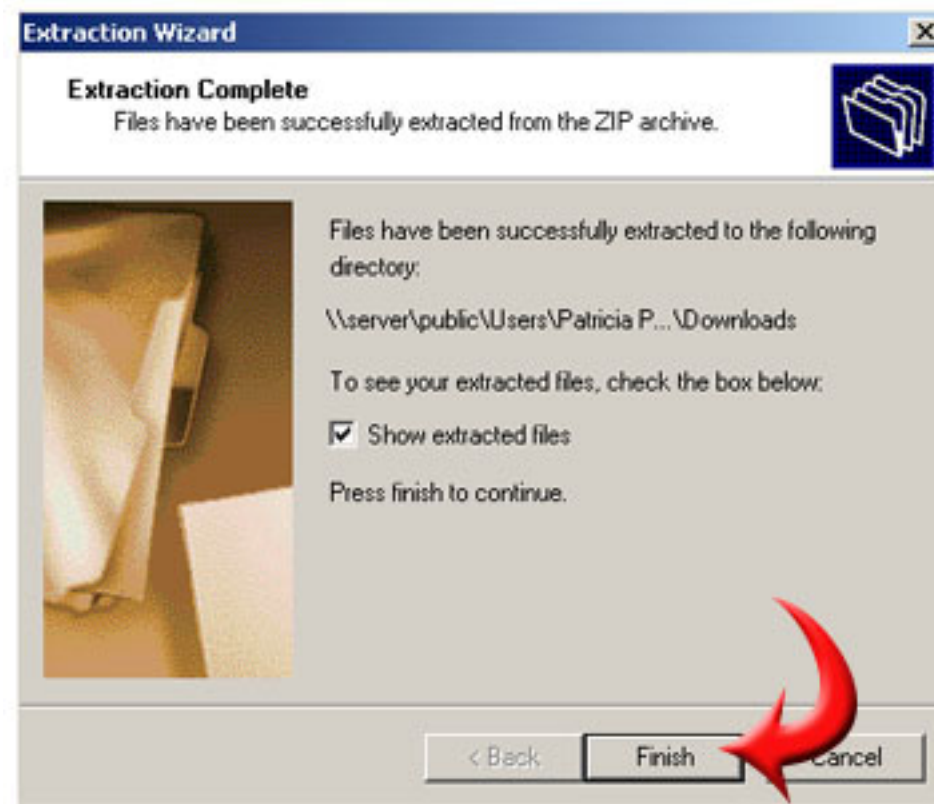

The Extraction Wizard will ask where to save the file. If you are familiar with your computer's file structure, you may specify the exact location, otherwise, place it on your desktop.

When the extraction is done, click on the button labeled *Finish*.

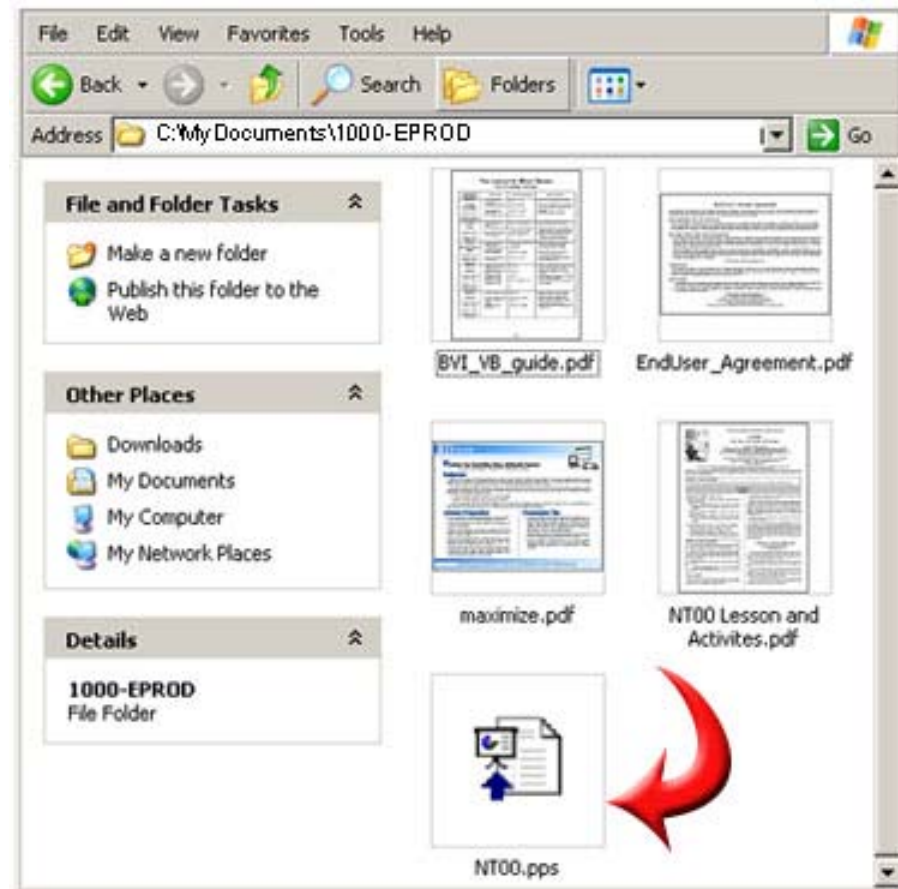

A window will open showing the folder containing the files you have downloaded. There will be several PDFs which can be printed out at your convenience.

The PowerPoint Presentation is located in a file with the extension *.pps. If you have PowerPoint installed on your computer, double click on this file and it will automatically be opened by PowerPoint.

If PowerPoint is not installed on your computer . . .

. . . you may download a free copy of Microsoft's PowerPoint viewer from their website:
<http://www.microsoft.com/downloads>

The screenshot shows the Microsoft Download Center page for PowerPoint Viewer. The page has a blue header with the text "Microsoft® Download Center" and navigation links for "Downloads A-Z", "Product Families", and "Download Ca". A search bar is present with the text "Search All Download Center" and a "bing" logo. The main content area is titled "PowerPoint Viewer" and includes a "Brief Description" section stating: "Microsoft PowerPoint Viewer lets you view full-featured presentations created in PowerPoint 97 and later versions." To the right, there is a "On this page" section with a list of links: "Quick Details", "Overview", "System Requirements", "Instructions", and "What Others Are Downloading". At the bottom, there is a table with columns for "File Name:" and "Size:", showing "PowerPointViewer.exe" and "60.3 MB" respectively, followed by a "Download" button.

| File Name: | Size: | |
|----------------------|---------|--------------------------|
| PowerPointViewer.exe | 60.3 MB | Download |
