

Fall Update from Melody Mayer

Serving with Bible Visuals International

Dear Family and Friends:

Thank you for your prayer and financial support towards my ministry with Bible Visuals International and for the missions trip to Alaska. We had a very good trip to Alaska and were able to accomplish the goals that were set there for this year's trip. There were some trials and set backs but the Lord helped us to overcome them. We really enjoyed the beauty of Alaska and are looking forward to returning there hopefully next summer to continue the work that still needs to be done in other buildings.

Donna and Bob
Sloma

We had a good time visiting with our hosts Bob and Donna Sloma and learning more about the needs of the ministry at Cross Roads Health Ministries as we worked on the locks there. We were also able to visit with another missionary couple (who are good friends and supporters) on the way back to Michigan when we had a layover in Seattle, Washington. Tom and Jan Kemp picked us up at the airport and took us to dinner. We had a good time of fellowship with them and were able to catch up on the work they are doing in Washington before they had to take us back to the airport.

I would love to share more about the trip to Alaska but there are other things I need to share at this time. This summer was full of travel and changes as the Lord has laid it on my heart to return to Pennsylvania to be in the office on a more permanent basis. He has provided a place for me to live but I still need to work out financial needs as I will be living on my own. My parents will be staying with me when they are in Pennsylvania but I will be responsible for the finances of the house. I currently cannot do this on my present hours so I have been allowed to increase my hours—to work 40 hours a week. However, I need to help raise support to cover this change in my salary. Please pray that the Lord will raise up the support to cover this change and maybe even to completely cover my salary. Please also pray that He will provide the finances I need to live on my own.

I will still occasionally work remotely as there are times that I do need to travel to Michigan to help my family out and maybe some other places for conventions. Please pray for me as I work through the logistics of all these changes. I don't deal very well with change but I am stepping out in faith as I believe the Lord wants me to be here in Pennsylvania to be more involved with the ministry of Bible Visuals International. Please pray that the Lord will guide me through each step of the way in the move back to Pennsylvania.

Prayer and Praise Items

1. Please continue to pray that the Lord will provide for the needs of the ministry of Bible Visuals. He is faithful.
2. Pray that the Lord will raise up more supporters so that I can be fully supported and provide for the increase my hours if that is His will. (I am currently at 28% of my support but need about \$1,800 more a month to be fully supported.)
3. Praise the Lord for a good missions trip to Alaska this summer.
4. Please pray that the Lord will raise up more workers for the mission field especially nurses and doctors to serve Him even in remote places such as Alaska.
5. Pray that I will be wise in knowing when to help my family in Michigan and when I need to be in Pennsylvania.
