PURPOSE

We share lessons for the purpose of **helping children see Jesus!**

In January, we received the news that **Katherine Hershey** had passed away at the age of 100. Katherine served for many years here in Lancaster County as the local director for Child Evangelism Fellowship. However, her ministry to children went far beyond the borders of the county, of Pennsylvania or of the United States for that matter. As a BVI author she created many of our Bible lessons which have been translated into numerous languages. Her Tabernacle lessons alone are available in fourteen languages including Arabic, Chinese, Dutch, Greek and Urdu!

In January we were also contacted by a major ministry partner that wanted to use our **Bible Lessons to Light the Way** series this summer in their numerous VBS ministries. Katherine authored this wonderful five lesson volume that includes lessons on Elijah & the Prophets of Baal, Jesus & the Children, Naaman, Onesimus, and an adaption of the

Wordless Book. Before we print the books needed for this ministry partner, we'd like to update the illustrations into full color. This is more than just a memorial for Katherine. It's an opportunity to enhance the illustrations to help capture children's attention and focus it on God's Word. This updated series will be a blessing to many other ministry partners especially as we make it available in print and digital formats and in various languages.

The work on this project has to be done quickly in order for us to supply our ministry partner by the **middle of March**. The cost is \$3650. We've already begun the update trusting that God will provide the necessary funds for colorization. Will you help?
