Winter 2018 Update From Melody Mayer Serving With Bible Visuals International

Dear Family and Friends:

Thank you for your prayer and financial support towards my ministry with Bible Visuals International and the 2018 missions trip to Alaska. The Lord has taken good care of me this year in the many trips I have made and in my daily life.

In April with the help of my parents, I purchased the home we had been renting in Mount Joy. I now have the responsibilities of a homeowner. Please pray that I will be a wise steward of the property and of the funds the Lord gives me so I can pay the mortgage on my home and keep it in good shape.

It is good to be back in the office on a more regular basis. However, I was also able to work remotely in several locations this year because of the flexibility of some of my work. I traveled to Michigan numerous time to celebrate family birthdays and other holidays and worked from my parents' home while there.

I also worked from Alaska for three weeks this summer while helping on the missions trip to Cross Roads Medical Center and was able to visit some new towns including North Pole and Fairbanks.

In October, my mother and I attended a convention in Alabama which was the first time for both of us to visit that state. While we didn't have many sales, we were able to make some contacts with Christian schools in Alabama. Please pray that this will result in future sales which will allow children to hear the Gospel and to grow in their spiritual walk.

I have worked on several projects this year. One of the big projects was updating our print catalog which should be sent to the printer this month. If you would like to receive a copy, please let me know and we will mail it out when it becomes available. I also worked with our director Tom Luttmann and one of our board members Christine Beiler on our banquet that we held in May at Shady Maple Smorgasbord. We have also started planning our 60th Anniversary banquet for October 25, 2019 to be held at the same location.

I look forward to seeing what the Lord has in store for serving Him with Bible Visuals International in 2019.

Prayer and Praise Items

1. Please continue to pray that the Lord will provide for the needs of the ministry of Bible Visuals. He has been faithful in providing.
2. Pray that the Lord will raise up more supporters so that I can be fully supported. (I am currently at 25% of my support but need about \$2,100 more a month to be fully supported.)
- 3 Praise the Lord for a good missions trip to Alaska this summer.
4. Please pray that the Lord will raise up more opportunities for Bible Visuals to share the materials and resources that we have. Some of our trips were canceled in 2018 due to conflict of interest.
5. Pray that I will be wise in knowing when I give time to my family and when I need to be working for the Lord.
6. Please also pray that the Lord will continue provide the finances I need to live on my own.
7. Praise the Lord for His daily grace to do the work He has called me to do.
