

# Helping Children See Jesus!

## THE STORY

**David Brainerd** only lived 29 short years and much of that time was filled with disappointment, discouragement, doubts and physical sickness, yet God used this weak vessel to bring the gospel to Indian tribes and to inspire future generations of missionaries. Now we want to bring this story to children.

## THE PROJECT

To produce a five-chapter visualized biography on David Brainerd that can be used particularly in children's ministries like Sunday Schools, VBS and Bible Clubs. The story will be made available in print and download formats for use worldwide.

## THE AUTHOR

**Joe Tyrpak** serves as pastor of Tri-County Bible church in Madison, Ohio. He has studied extensively about the life of Brainerd and now brings that knowledge to bear on this new story that will give children to a first-person introduction to this important figure in church history.

## OUR MISSION

To create gospel-focused visualized resources and to supply them to ministry partners worldwide with the purpose of "helping children see Jesus!"

# The Cost

To produce and print a visualized story of this size we will need approximately **\$22,000.**

This will cover:

- freelance author and illustrator expenses,
- staff labor on the project
- the initial cost of printing at least 1000 copies in our flashcard format.

*"For generations, David Brainerd's story of grace has had worldwide Gospel impact. I'm thrilled that Bible Visuals International is helping another generation trace the steps and learn by example from the trials and triumphs of this humble, prayerful, Christian hero."*

*Dr. Tim Keesee—Frontline Missions*

## The Call

Missions isn't just about declaring God to the nations. It's also about declaring God to the generations.
